Chief, Special Support Staff

1 March 1950

Executive

Procurement Methods

1. Attached is a report from the Chief, Inspection Division, I&S Staff, dated 16 February 1950 covering the results of an examination ordered by the Executive of the methods, effectiveness, and adherence to proper practices in carrying out the supply procurement program involving the use of confidential funds.

2. It is desired that this report be given careful study, and that recommendations for changes and additions to current regulations be submitted to the Executive on or before 20 March 1950. These recommendations will be prepared in collaboration with the Management Officer.

ILLEGIB

3. It is also desired that you submit with the recommendations called for above any comments considered pertinent in connection with the attached report.
